This response is in reply to the Office Action dated January 13, 2006 received from the U.S. Patent Office.

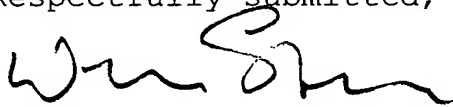

On page 2 of the Office Action under the Non-Final Rejection section the examiner stated that the reissue oath/declaration filed on November 29, 2004 remains defective since a certified

copy of the foreign application/priority document (PD) has not been submitted as required under 37 CFR 1.55(a)(2).

Enclosed please find a certified copy of the German priority document issued by the German Patent Office. We respectfully request that this priority document be entered of record for the above-mentioned application.

Please charge any fees that might be due with respect to Sections 1.16 and 1.17 to the Deposit Account of Lerner Greenberg Stemer LLP, No. 12-1099.

Respectfully submitted,

Werner H. Stemer
